

140 Nelson Street

This lovely Side Hall Style house was moved from Nelson in 1889. The foundation is made of large stones. The veranda was an addition after the move. This is one of three houses on this street that were moved from Nelson.

Owners that we know of were the Mott family, then the Stephenson family who lived here for approximately 15 years. Then Henry Loeppky owned the property until 1967 when Helen Mueller bought it.

Three houses that were moved from Nelson to this street in the same year were;

1. 140 Nelson Street,
2. 171 Nelson Street
3. 156 Nelson Street.
