

## **GIS Technician**

The CITY of MORDEN invites applications for the position of GIS Technician. This is a full-time permanent position with a full benefit package.

This position will be required to:

- Develop and maintain GIS-based related software, web sites and equipment
- Improve access to details of Morden infrastructure information
- Provide GIS and Mapping support for projects in all relevant City departments
- Work effectively with minimal supervision
- Communicate well with the general public and other staff

The preferred candidate will have the following qualifications:

- GIS Technical Diploma or suitable combination of education and experience
- Practical knowledge and experience in computer systems with an aptitude for use of GIS software
- IT background/experience is a definite asset
- Excellent planning and organizational skills
- A valid Manitoba drivers license

The successful candidate will have demonstrated a high level of initiative and enthusiasm in their approach toward fulfilling responsibilities in previous roles.

Interested applicants are invited to submit a detailed resume complete with three references by sending applications to:

Human Resources Officer
