SPORT AND LEISURE EXPO UPDATE

Another successful Sport and Leisure Expo has come and gone. The event on Wednesday September 4 had 30 organizations present to share information about programs, volunteer opportunities and services. Organizations were given the opportunity to make a donation toward helping give all kids a chance to be involved in recreation. A donation of $365 was collected and will go toward Canadian Tire Jumpstart, KidSport and Chance 2 Grow. Information on all of these programs can be found at mordenmb.com/recreation-funding. If you have extra funds at this time of year, consider making a donation to help kids in sport and recreation. It helps all kids access excellent programming. Donation information can be found online.

If you missed the Sport and Leisure expo there are still opportunities to register as long as spaces allow. See a full list of local sport and recreation opportunities and mordenmb.com/sports-groups.

See a program guide for City of Morden programs including fitness programs, first aid courses, adult drop-in sports, youth basketball, youth badminton, kids world dance, youth kickboxing, rec hockey, and more at mordenmb.com/programs. Or pick up a guide at the Access Event Centre, Civic Centre, Thornview Grocery, or Agassiz Medical Clinic.

Stephanie Dueck, Rec Programmer for City of Morden noted that, "being involved in programs and activities helps people of all ages to get active, boost self-esteem, improve well-being, and connect in the community. We are fortunate to have so many great opportunities in our area."

For further questions or for media requests please contact Viktor Karklins, Marketing and Communications Coordinator at CC@mordenmb.com.
